

AHTANUM VIEW REENTRY CENTER (AVRC)

FACT SHEET

ABOUT

Custody Level:

- Minimum Security Classification Facility

Capacity:

- 81 men, 20 women

Annual Operating Budget:

- \$4,280,213

AVRC opened in October 1972. Since its inception, it has become an intricate part of Yakima's business and law enforcement communities. The facility is surrounded by orchards, hop fields and residential areas, as well as established and growing local businesses. The primary goal is to improve public safety by positively changing lives by providing residents with the knowledge and skills necessary for success in the community.

Residents who meet the screening criteria may be transferred to AVRC 12 months before their earliest release date. The facility is operated by the Washington State Department of Corrections and provides 24/7 safety and security, food services, case management and maintenance. The Department of Corrections owns the building.

COVID-19 Operations: In May 2023, federal and state COVID-19 emergency declarations ended, and DOC transitioned to a new normal operation. DOC continues to follow DOH and CDC guidelines for managing and preventing infection control.

Individuals with Disabilities: The Reentry Centers meet applicable American with Disabilities Act (ADA) standards and DOC policies regarding ADA. We will coordinate with the statewide ADA coordinator prior to the arrival of residents requiring ADA accommodations to ensure the facility has the necessary items. We will ensure the facility continues to meet the accommodated residents' needs during their incarceration.
